- Once a year, the Board will conduct a self-evaluation.
- The evaluation instrument will incorporate criteria based on the Board policies regarding Board operations, as well as criteria defining Board effectiveness based on Board determined goals and objectives.
- Board members will complete the evaluation instruments and submit them to the CEO prior to October 15.
- The evaluation results will be presented and discussed at the November Board meeting.
- The evaluation results will be used to identify accomplishments in the past year and goals for the following year.
