Education Code Section 72620 Title 5, Section  
51018

Counseling services are an essential part of the educational mission of the District. Through the educational planning process, counseling shall be required for all first-time students enrolled in more than six units, and all students on academic or progress probation. The Chief Executive Officer shall assure the provision of counseling services including academic, career, and personal counseling that is related to the student's education.
