Education Code Section 72506

The District shall assure that students are covered by accident insurance in those instances required by law or contract.

The Student Insurance Policy provides coverage to all currently enrolled students while:

- in college buildings, college leased or rented buildings, and on or off campus during the time classes are authorized and calendared.
- at other locations as required by college sponsored events and activities such as club activities and field trips, including college sponsored and supervised transportation to and from activities.

The District shall provide limited student accident insurance for students participating in intercollegiate athletics, intramurals, and/or physical education activity courses.

Coverage is provided for all eligible expenses not paid for by any other valid insurance covering the student. If the student is covered under a health maintenance organization or similar organization, they must use their services.
