

COMPTON COMMUNITY COLLEGE DISTRICT

CITIZENS' BOND OVERSIGHT COMMITTEE APPLICATION

The Compton Community College District is seeking qualified, interested individuals to serve on a committee of community leaders which will serve as the Citizens' Bond Oversight Committee for the implementation of both of the District's Measure CC and Measure C facilities bond programs.

Proposition 39 Bond Election

On November 4, 2014, voters residing within the Compton Community College District passed Measure C. Measure C is a \$100,000,000 bond measure that authorizes funding for needed repairs, upgrades, and new construction projects to the District's facilities. Proposition 39 required a 55% supermajority for approval; Measure C was passed by 78.39%. Measure CC is a \$100,000,000 bond approved by the voters on November 5, 2002.

Establishment of a Citizens' Bond Oversight Committee

After a bond authorized under Proposition 39 is passed, state law requires that the Compton Community College District Board appoint an independent Citizens' Bond Oversight Committee to work with the District. Since the District previously had a Measure CC Citizens' Bond Oversight Committee that committee is being dissolved and the functions of that committee has been merged into the Citizens' Bond Oversight Committee.

Committee Responsibilities

In accordance with Education Code Section 15278(b), the Citizens' Bond Oversight Committee shall:

- Inform the public concerning the District's expenditure of Measure CC and Measure C bond proceeds;
- Review expenditure reports produced by the District to ensure that Measure CC and Measure C bond proceeds were expended only for the purposes set forth in Measure CC and Measure C; and
- Present to the Board in public session, an annual written report outlining their activities and conclusions regarding the expenditure of Measure CC and Measure C bond proceeds.

The Bylaws which govern the Citizens' Bond Oversight Committee are attached to this Application.

Appointment of Committee Members

All appointments will be made by the Board from applications submitted to the District. The Committee shall consist of at least seven (7) members appointed by the Board from a list of candidates submitting written applications, and based on criteria established by Prop 39, to wit:

- One (1) student enrolled and active in a community college support group, such as student government.

- One (1) member active in a business organization representing the business community located in the District.
- One (1) member active in a senior citizens' organization.
- One (1) member active in a bona-fide taxpayers association.
- One (1) member active in a support organization for the college, such as a foundation.
- Two (2) members of the community at-large.

Initial appointments will be staggered, such that some of the initial appointees will be appointed to serve one full two-year term. The other initial appointments will serve a one-year term, but will be eligible for reappointment by the Board for a second and third two-year term.
