Partnership Agreement

- July 2006 - El Camino Community College District Board of Trustees approved a Memorandum of Understanding.
- August 2006 - Agreement was adopted by the Compton Community College District Special Trustee and the El Camino College Board of Trustees.
- El Camino College provides accredited instructional and related support, in addition to administrative services to meet the needs of Compton students.
- El Camino College courses are taught at ECC Compton Center by Compton faculty.
- The primary intent of the agreement is to assist the Compton campus with recovery and full accreditation as a two-year public college.

Accreditation Update

- Both Districts fully committed to obtaining independent accreditation for El Camino College Compton Center.
- The first phase of the process to accreditation has begun.
- Through the Accreditation Steering Committee, the ECC Compton Center eligibility application process is moving forward.
- The next step is the submission of the eligibility application and supporting documentation to the ACCJC, planned for 2014.
