FACILITIES UPDATE

Community Meeting –Wednesday, October 14, 2020

Completed Facilities Projects

The Compton Community College District grounds continue to improve thanks to funds from Measure CC and Measure C supported by voters in 2002 and 2014, respectively. Projects completed in the last three years include:

- **Student Health Center:** installation of a modular building to house the Student Health Center. Completed: March 2017.
- **Music Building North Wing & Little Theater:** the \$3 million Music Building renovation project included upgrades to the 220-seat Little Theater. Completed: December 2016.
- **Cosmetology Facility:** installation of a modular building in Tartar Village to house the new cosmetology program. Completed: August 2016.

Completed Facilities Projects

- **Allied Health Building:** construction on a new \$12 million, state-of-the-art Allied Health Building to house the nursing and child development programs. Completed: December 2015
- **Football Stadium and Track:** renovation of the existing football field and track and installation of new synthetic turf on the field. Completed: September 2015
- **Public Safety Building:** a groundbreaking ceremony occurred in July 2018 for construction of a \$4.7 million, all-new building to house the Compton District Police Department. Estimated Completion: July 2019.

Current Construction Projects

- **Instructional Building 1:** The \$18.8 million project includes the removal of Row Buildings G, half of F, two-thirds of E, and Modular Buildings M1 and M2 (total of six structures) and replace them with a new, state-of-the-art instructional building. Estimated Completion: Spring 2021
- **Instructional Building 2:** The \$25.6 million project involves the removal of Row Building D, and the remainder of Row E and F buildings, and construction of a second state-of-the-art instructional building on campus. Estimated Completion: Fall 2021
- **Student Services Building:** The \$20.4 million facility will become a one-stop hub for all student services. The project involves the demolition of the old Library building, and construction of the new Student Services Building. Estimated Completion: Winter 2022.

Future Projects

- **Compton College Physical Education Complex:** This \$46 million project includes the demolition of the current gymnasium, men's shower/locker, classroom V, pool service, pool, and women's shower/locker buildings; and the construction of a new gymnasium, men's and women's locker room, faculty office space, and physical education support space.

COMMUNITY DISCUSSION

Community Meeting –Wednesday, October 14, 2020

DISCUSSION QUESTIONS

- What courses and programs do you think students need to reach their career and educational goals?
- The Compton College 2024 Comprehensive Master Plan includes building residential housing at Compton College. What are some of your thoughts on residential housing?
- How can we improve the communication between the college and our community?
- How can the community support the success of our students?

Thank You!
