Professional Development Resources

EAB

Compton College has a partnership with EAB Global, Inc. (EAB) to provide research, insight, and actionable advice for student success. EAB is a research and technology company that helps schools support students from enrollment to graduation and beyond. Working closely with the Compton College, EAB will seek to inform thinking, build consensus, and contribute to the execution of Compton College 2024, Comprehensive Master Plan. Also, all faculty, staff, and administrators across campus have access to EAB's website and can utilize any practice, tool, or webinar.

Instructions for how to register for the EAB website (www.eab.com), is available here.

Equity Connect

Compton College takes pride in our partnership with the USC Race and Equity Center. As part of this collaboration, all employees have access to an array of equity-mindedness resources. These resources can be accessed by visiting equity connect. Log in using your Compton College email address and set up a password to unlock access to a multitude of resources. Visit the library tab to explore many educational opportunities, including a number of presentations and reference materials by a vast array of prominent diversity, equity, inclusion, and accessibility thought leaders. Additionally, there is a newsfeed on the home page and community groups for collaborative engagement opportunities.

Vision Resource Center

Compton College offers access to professional development opportunities in the Vision Resource Center (VRC). The VRC is an online learning and collaboration platform for all employees. The provided content offers support to faculty, Classified professionals, and administrators. With over 7,000 online courses to choose from, users have the ability–and freedom–to engage in trainings relevant to your role and own personal interests, as well as building connections with colleagues across the state.

Some of the key features of the Vision Resource Center include:

- Regularly developed learning modules related to the priority work going on in the California Community Colleges
- Complete LinkedIn Learning & Skillsoft Training Webinars
- Connect with Colleagues in Virtual Communities
- A Professional Development Calendar
- Flex Credit tracking for Faculty

Log in using your MyCompton portal and select the professional development tile. The VRC contains a detailed overview video for new users and a user guide is available upon request.

Professional Development events are from 9:00 a.m. – 10:30 a.m. on Zoom, unless noted above or communicated in an email correspondence.
