COMPTON COLLEGE

INSTRUCTIONS FOR COMPLETING THE STUDENT PETITION FOR REPEAT DUE TO SUBSTANDARD GRADES OR EXCESSIVE “Ws”

**Students – It is your responsibility to accurately complete this form, to attach explanations and justifications, and to provide all relevant documentation including but not limited to academic transcripts.**

Section 1 – You must legibly print your full name including any previous name you may have used at Compton College. Include your Compton College student ID number. If you cannot remember your student ID number you may use your social security number. You must provide a working telephone number and an alternate number in the event we need to contact you. You must also provide the course name and course number that you wish to repeat. Including a section number is optional.

Section 2 – Please check the appropriate line in this section.

- A. *“I received a substandard grade\* or a “W” in the same class two times”* – You may be permitted to enroll in the course a third time. However, you must fulfill the requirements set forth by the academic division responsible for the course. Failure to meet these requirements will result in a denial of the repeat petition.
- B. *“I received a passing grade the last time I was enrolled in the course. However, I am requesting to enroll again due to lapse of time”* – It must be at least 36 months since you completed the course **AND** the course must be required by the district as a properly established recency prerequisite; or another institution of higher education to which you are seeking to transfer requires you to have taken the course more recently than your last enrollment. You must provide proof of the recency requirement. Each division sets their own recency requirement. If you received a passing grade in the class less than 36 months prior to term you seek to enroll, you must bring proof that the program you seek to transfer to has a recency requirement of less than 36 months.
- C. *“I received a passing grade the last time I was enrolled in the course. However, I am requesting to enroll again due to a significant change in industry or licensure standards”* – This requirement is two-fold: there has been a **significant** change in the industry or licensure standards since you previously took the course, **AND** you must take the course again for employment or licensure. The change should be one that without the updated course, you could not obtain or maintain your employment or license. Adequate documentation must demonstrate the significant change in the industry or licensure standards since you previously took the course, **AND** your need to take the course again for employment or licensure. A letter from the your current or prospective employer stating that you must take the course again for employment coupled with documentation of the significant change in the industry standard since you last took the course is an example of adequate documentation.
- D. *“I received either three substandard grades, three “Ws”, or a combination thereof. I understand I have reached the maximum number of attempts for the course, but I qualify for extenuating circumstances”* – You must meet the criteria as set forth by college policy and you must provide a detailed explanation justifying extenuating circumstances. Please read note below on extenuating circumstances.

Notes: (1) Grade alleviation (replacing a substandard grade with a passing grade in the calculation of grade point average) and “extenuating circumstances” apply only to credit non-repeatable courses, not to repeatable courses. If you reach the maximum number of repeats allowed by regulation but are nonetheless approved to repeat the course, the grade may only be used to meet area credit.

(2) **Extenuating Circumstances are verified cases of accidents, illness, or other circumstances beyond the control of the student.** The student has the burden of proof to support a claim. Extenuating circumstances may be used once for a non-repeatable course. Extenuating circumstances cannot be used if the student has already used the course to obtain a degree at Compton College or if the course was used in academic renewal. Any approved extenuating circumstance petition, subsequently found based on fraudulent documentation, may be reversed. Final decision on extenuating circumstances will be made by Admissions and Records. Repeatable courses cannot qualify for extenuating circumstances.

- E. You are requesting to repeat an Educational Development or Adapted PE course as an accommodation for your educational limitations. This course repetition is necessary as it contributes to your success in other courses, as preparation for other courses, or part of your educational goal. You must meet the criteria as set forth by Title 5 Section 56029 and you must provide a detailed explanation justifying the circumstances necessary for this repetition.

Section 3 – You must complete this section. You can obtain this information off your official or unofficial Compton College academic transcript. Please refer to the example below.

1	Fall	2019	W
2	Summer	2020	F

You must sign and date this petition and turn it into the appropriate academic division/department for consideration. Submission of this petition does not guarantee approval.
